

Notice of Privacy Practices

Huron County Board of Developmental Disabilities

FOR YOUR PROTECTION

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY. IT ALSO DESCRIBES OUR PRACTICES ABOUT CHRISTIE LANE SCHOOL RECORDS.

YOUR RECORDS ARE PRIVATE

We understand that information we collect about you or your child and records of the services and supports we provide, are personal. Keeping these records private is one of our most important responsibilities. The Agency must follow many laws to protect your privacy. For the Christie Lane School records, and all other records of individuals under 18 years old, we follow the federal FERPA and IDEA laws. For adult services, and certain services for children, we follow the federal HIPAA laws. In addition, we follow many laws specific to Ohio Developmental Disability Boards. For this notice, we will use the term "records" to mean the paper or electronic records we maintain about you.

Your records may be used and disclosed by the employees and volunteers at the Agency who serve you, as well as persons or agencies who work for us and sign strict confidentiality contracts.

Our organization includes Christie Lane School, Huron County BDD Intervention Center, and the Huron County Board of DD.

At Christie Lane School, for example, records may be shared with "school officials" who have a "legitimate educational interest" in your child. "Educational interest" means any matter related to your child's instruction, developmental or behavioral support, dietary, health or safety. "School officials" include teachers, paraprofessionals, aides, bus drivers and administrators at Huron County Board of Developmental Disabilities.

In general, we use and disclose your information:

WHO USES AND DISCLOSES MY RECORDS?

- For teaching, behavioral and medical support, transportation and school administration. For example, a school administrator will review progress data created by teachers.
- To provide the full range of services we provide: early intervention, habilitation, supported employment, and other services. For example, your service and support coordinator will review your records to create an ISP, which may be shared with you, your guardian, a vocational specialist, and other persons involved with providing services and supports to you.
- To get payment for services provided: for example, the billing clerk uses service records of services provided to submit bills to the Ohio Department of Developmental Disabilities,
- For other operations to operate and manage the Agency: these include improving quality of care, training staff, managing costs, and conducting other business duties. For example, a quality assurance reviewer may audit your records to determine whether appropriate services were provided,
- To remind you or a guardian of an appointment for services,
- The Agency or an affiliated foundation may contact you to raise funds. You have the right to opt out of any fundraising communications.

There are limited situations when we are permitted or required to disclose your records, or parts of them, without your signed permission. These situations include:

COULD MY RECORDS BE RELEASED WITHOUT MY PERMISSION?

- Record transfers to other schools your child enrolls in,
- Reports to public health authorities to prevent or control disease or other public health activities,
- To protect victims of abuse, neglect, or domestic violence,
- For oversight including investigations, audits, accreditation & inspections, such as are conducted by the Ohio Dept. of Developmental Disabilities, Ohio Dept. of Education and federal agencies,
- When a court order, subpoena or other legal process compels us to release information,
- Reports to law enforcement agencies when reporting suspected crimes, when responding to an emergency, or in other situations when we are legally required to cooperate,
- In connection with an emergency, or to reduce or prevent serious threat to public health and safety, or the safety of a person,
- to coroners, medical examiners and funeral directors,
- to victims of alleged violence or sex offenses,
- For workers' compensation programs,
- For specialized government functions including national security, protecting the president, operating government benefit programs, and caring for prisoners,
- In connection with "whistleblowing" by an employee of the Agency.

All other uses not described above require that we obtain your signed permission.
